- And Access Useful Forms

Most of your courses will require that you complete library research to support your learning. NAU offers an extensive online library through which you will be able to locate literature and research to assist in the completion of your course assignments. For information regarding APA guidelines, plagiarism and other resources, please visit the NAU Online Library. It can be accessed by clicking on its link within the student portal under My Academics or directly through the online classroom. The library includes journals, electronic books, video clips, and access to proprietary databases of information. Some courses use content from the NAU Online Library as a part of the materials that will be or projects. There is an Online Library Tutorial available to guide you through the website. Please take some time to review the NAU Online Library and become acquainted with the materials that it offers. Additionally, you can find important information regarding your account under: Message Center, My Account, My Financial Aid, and My Documents. To access your online courses, go to the Distance-Online tab and click on Desire2Learn, this will bring you directly to the course homepage. It is important that you first check your Browser to ensure that you computer is properly configured. To do this, simply click on the Check Browser link in the upper-right hand corner of the course homepage. Also under the Distance-Online tab you will have access to view the Self-directed Learner’s Statement, to review System Requirements to properly run online courses, and to access the online orientation in case you need to view this demonstration in the future. Additional resources and services include: access to the NAU university Catalog, Student Handbook, and more. Please take time to review the resources and services provided through your student portal.
