After you’ve opted in, you can simply send a text message to your advisor’s email address. Make sure you state your **full name** in your message so your advisor knows who you are. Opting in through your student portal allows your advisor to send a message back to your mobile phone directly from their email inbox.

To opt in, follow these simple steps:

1. From your student portal home page, click on **My Profile**, then **My Information**.
2. Click on the SMS tab.

3. Click the Edit button.
4. Type in your mobile number, and then click Save.
